Flights

Since there are numerous airlines and flights from different cities across the globe to Lisbon airport (LIS), we have not arranged with a particular travel agency for flights to Lisbon. Good deals can be found online or through different airlines (e.g., EasyJet, Ryanair, TAP, Air France, British Airways, etc.).

Lisbon Airport is the main international gateway to Portugal. It is one of the few airports in Europe located inside a major city.

BUS

From the Airport take Buses 783 or 744, walk to the Entrecampos roundabout, Turn to Av. das Forças Armadas, go up approximately 150m and you will find the entrance to the ISCTE – Instituto Universitário de Lisboa on your right handside.

Other lines:
Bus nr. 701 (Campo Grande - Campo Ourique)
Bus nr. 732 (Hospital Sta Maria - Caselas)
Bus nr. 754 (Campo Pequeno - Alfragide)

TAXI or UBER

To get to Iscte it is both simpler and faster to take a taxi.

There are two taxi stands within the perimeter of the airport, one at arrivals and the other at departures: we suggest you take one at the departures stand.

The trip takes about 10 minutes.

Underground / subway train

The Iscte campus station is **Entrecampos** on the yellow line. Exit the station Entrecampos on Av. da República and walk approximately 150m towards the Entrecampos roundabout. Turn left (Av. das Forças Armadas), go up approximately 150m and you will find the entrance to the ISCTE – Instituto Universitário de Lisboa on your right handside.

The Lisbon Airport has a Metro (subway) station with a direct line to the city centre, Red line. You can change at Saldanha to the yellow line (direction Odivelas). It will take you about 30 minutes to get to Iscte.

You must purchase the 'Viva Viagem' electronic travel card. With “zapping” option you can top up with balance for your journeys that can be used both for the Metro and for Carris (bus network):
